Andes Plateau, 700, Chile 2012

## Andes Plateau, 700, Chile 2012

18pts/20 (93/100pts)

Mainly from high-altitude Cabernet vineyards (over 700m) from the Alto Maipo, with 30% Syrah from Elqui, in the north, this shows its mountain influence in its refreshing herbal and minty aromas over a core of black, crunchy fruit. Extremely young, this will evolve with grace over the next decade.
